

More than 59 thousand citizens of Ukraine studied abroad in 2015/16. This is stated in the statistic report on the number of Ukrainian students studying abroad made by Egor Stadniy, the expert of the Analytical Center CEDOS.

Annual monitoring of the number of Ukrainian citizens who study in foreign universities full time covers 34 countries.

The expert notes that the number of Ukrainian students at foreign universities as of 2015/16 academic year is 59 648 people. This figure does not include data from Russia, Greece, Turkey and Croatia, as statistical data collection in these countries is ongoing.

"However, if we extrapolate data from the previous year more than 46 thousand citizens of Ukraine studied abroad in 2013/14. Among the most preferred countries were Poland, Germany, Russia, Canada, Czech Republic, Italy, USA, Spain, France, Australia", - said the expert. Dynamics of growth from 2009 to 2015 is 129%.

He notes that if you compare the last two years, this increase is 29% or 13266 person.

On 19-21 April 2018 in Ukrainian House (Ukraine, Kiev, Kreschatyk street, 2) will be held the annual international specialized fair “Education and Career – 2018” and the fair of foreign educational institutions “Education Abroad”.

Organizers – Society “Znannya” (Knowledge) of Ukraine with support and participation of the Ministry of Education and Science of Ukraine and National Academy of Pedagogical Sciences of Ukraine. The fair is also supported by European Union, Embassy of France, Embassy of Canada, Trade Department of the Embassy of Austria, Embassy of Israel, as well as Campus France, DAAD, British Council, Goethe Institute.

The program of the fair includes presentations of participants, seminars and round tables. Representatives of Ukrainian and foreign educational institutions work on the stands consulting the visitors and exchanging experiences.

Among the fair participants there are educational institutions from different countries, such as Great Britain, Germany, Canada, Cyprus, Switzerland, Austria, Czech Republic, Israel,

Greece, Poland, USA, Turkey and others. Leading educational agencies of Ukraine also take part in the fair. Poland educational institutions are represented in a separate pavilion.

Direct communication with representatives of foreign educational institutions gives an opportunity to obtain “first hand” information and take a final decision on studying abroad.

Why participate in the fair:

- The biggest educational fair in Ukraine
- More than 7000 visitors during 3 days of the fair – school children with parents, students, young professionals, employees of educational area, representatives of educational agencies
- All leading educational agencies traditionally take part in the fair
- Official catalogue of the fair is given free of charge to all visitors
- The fair is held in the very center of Kiev
- Wide advertising campaign
- The fair is supported by the Ministry of Education and Science of Ukraine.
