

## Rectorate

**Από:** ECEM 2019 <sampolianutra2019@mail.com>  
**Αποστολή:** Τρίτη, 12 Μαρτίου 2019 4:30 μμ  
**Προς:** rectorate@upatras.gr  
**Θέμα:** Paris, France, June 14-16, 2019

**Σπουδαιότητα:** Υψηλή

3rd Int. Conf. on Environment, Chemical Engineering & Materials, ECEM '19:

[www.ecem-conf.org](http://www.ecem-conf.org)

Contact us by email: [ecem.conf@gmail.com](mailto:ecem.conf@gmail.com)

Paris, France, June 14-16, 2019

Publication of the Proceedings of ECEM'19 Proceedings of 2019 will be published by AIP (American Institute of Physics) with perpetual Open Access on the web site <http://aip.scitation.org/journal/apc> . The American Institute of Physics (AIP) Conference Series is a reputable series of Proceedings indexed in the major citation indexes: ISI, SCOPUS, EI Compendex, Inspec (IET) , MathSciNet, Scirus, Google Scholar etc....The Format of each Paper must be the AIP Format: Authors can be download it from here: <http://aip.scitation.org/apc/authors/preppapers>

Extended versions of all the papers will be published in various high quality international journals indexed in ISI, SCOPUS, EI Compendex, IET, DBLP, ACM, EBSCO, SemanticScholars, ProQuest, Google Scholar etc...

Publication of the Proceedings of ECEM'17 & ECEM'18

Proceedings of 2017 and 2018 have been published by AIP (American Institute of Physics) with perpetual Open Access on the web site <http://aip.scitation.org/journal/apc> . The American Institute of Physics (AIP) Conference Series is a reputable series of Proceedings indexed in the major citation indexes: ISI, SCOPUS, EI Compendex, Inspec (IET) , MathSciNet, Scirus, Google Scholar etc....

The 2018 Proceedings can be found here:

<http://aip.scitation.org/toc/apc/2022/1?expanded=2022>

The 2017 Proceedings can be found here:

<http://aip.scitation.org/toc/apc/1918/1?expanded=1918>

Call for Sessions, Workshops, Minisymposia We encourage you to participate in our conference with a Session, Symposium, or Workshop.

There are several benefits for the organizers:

1. For every 5 fully registered papers, the organizer is entitled to submit a sixth paper without paying any registration fees.
2. Successful Session organizers will Chair their session
3. Successful Session organizers will be included in the Committee of ECEM 2019
4. Successful Session organizers will receive an additional ticket for the banquet
5. Successful Session organizers will receive a Certificate for the organization of their session
6. Successful Session organizers will be invited to spend one seminar in the University of the organizers as Invited Professors or Invited Scholars.

\*Successful Session is any session with 5 or more than registered papers with fully registration Send us your Special Session by email: [ecem.conf@gmail.com](mailto:ecem.conf@gmail.com), Title / Organizer / Aim / Topics as the approved symposia / sessions here

The 3rd Int. Conf. on Environment, Chemical Engineering & Materials is a conference in which members of the communities of Environmental Science, Chemical Engineering and Materials will come together to learn from and teach each other information that will foster research- and evidence-based interventions to promote research activities on Environmental Science, Chemical Engineering and Materials . The conference also will launch a mentoring program to inspire and train the next generation of researchers to conduct research that has implications

for promoting research and education for Chemical Engineers, Materials Scientists and Environmental Scientists and Engineers.
